

### REMARKS

Attorney for Applicants has carefully reviewed the outstanding Office Action on the above-identified application. Applicants have amended the application, as set forth herein, and respectfully submit that the application, as amended, is in condition for allowance.

Applicant has cancelled claims 1-23 and submits new claims 24-61, to overcome the double patenting rejection set forth in the Office Action. Applicant submits that the new claims are patentable over the references of record. Applicant submits that no new matter has been added.

All issues raised in the Office Action are believed to be addressed. 24-61 are pending in this application. No new matter is believed to have been added. Re-examination is requested and favorable action solicited.

Respectfully submitted,

Michael R. Friscia
